

August 2020

Dear Parents/Caregivers

This correspondence concerns the graphics calculator needs for students studying Mathematics at Sacred Heart College Marcellin Campus in 2021 and beyond.

At Sacred Heart College, we have incorporated graphics calculators into the Mathematics curriculum in accordance with the SACE guidelines. All students studying Mathematics are asked to purchase a **CASIO fx-CG50 AU colour GC graphics calculator**.

The only exception will be those students studying support Mathematics.

Earlier models (CASIO fx-9860G-AU PLUS and CASIO fx 9850 G AU) are still acceptable if you have one.

I would advise that you only purchase one of the CASIO models mentioned above, otherwise it can be difficult to provide the appropriate support for your son or daughter in the use of the graphics calculator.

PURCHASING A GRAPHICS CALCULATOR

Should you wish to purchase your Graphics Calculator directly from **Campion Education**, attached is an order form including purchasing instructions. Orders can be placed online and calculators will be distributed at the start of Term 1, 2021 if ordered by Friday 22 January 2021. Order forms **must not** be returned to the College and should be completed directly with Campion Education.

Students will be notified once their order is ready for collection from Student Services at Sacred Heart College Marcellin Campus.

Should you have any questions regarding to the graphics calculators, please do not hesitate to contact the College on 08 8350 2500.

Damien Henry
Head of Learning Area - Mathematics

Campion Resource Lists 2021

Graphics Calculator Order for 2021 resources can be made online at www.campion.com.au.

For Classroom delivery please place your orders by **Friday 22 January 2021** using the following information.
