

**SACRED HEART COLLEGE
YEAR 12 EXAMINATION &
GRADUATION GUIDE 2020**

Dear Parents, Caregivers and Students,

As we near the end of Term 3, the completion of the academic year is rapidly approaching for our Year 12 students. Completing secondary education is a significant event in the lives of young people. There are no doubt mixed feelings with some looking forward to life after school with great excitement, while for others there is a sense of apprehension as they prepare to leave the certainty of school life and embark on their future. Whatever the future holds for each of our graduates, we are confident that they have developed the necessary skills to successfully contribute to their community and to create their own future within it.

As the intensity of completing the academic requirements of each course culminates with final assessments and examinations, there are also a number of key events that we look forward to in order to celebrate the achievements of the Class of 2020. This Examination and Graduation Guide provides details associated with the dates, times and expectations for students and families during this busy time. Some of the key dates include;

- **WEDNESDAY 21 OCTOBER** - Year 12 Graduation Mass (7.00pm, Marist Hall, Br Joseph McAteer Centre)
- **THURSDAY 22 OCTOBER**
 - Locker clean out and return un-required textbooks
 - Graduation Assembly (2.00pm)
 - Year 12 student celebration in Walter Park (3.30pm)
- **MONDAY 26 OCTOBER - FRIDAY 30 OCTOBER** - Exam preparation week
- **FRIDAY 20 NOVEMBER** - last day to return Textbooks and Library Books
- **FRIDAY 27 NOVEMBER** - Graduation Ceremony and Celebration (4.30pm arrival for 5.00pm start, Marist Hall, Br Joseph McAteer Centre)

The staff at Sacred Heart College look forward to celebrating the hard work and achievements of the Class of 2020 with students and their families over the coming weeks. However, in light of the COVID-safe restrictions, family attendance at College events will be limited and you will be advised of updated attendance arrangements on Monday 12 October.

Warm regards,

Steve Byrne
Principal

FRIDAY 25 SEPTEMBER

Year 12 students receive a certificate of reference from the College, called a Testimonial. Homeroom Teachers recently emailed students with an online Testimonial Form, which provides the details that are required to write the reference. A Testimonial cannot be prepared unless this form is returned to the student's Homeroom teacher well before the Graduation Ceremony. The online **Testimonial form** must be completed by the end of Homeroom on **Friday 25 September** as the preparation of Testimonials is a time consuming process.

TERM 3 HOLIDAYS AND HOLIDAY WORKSHOPS

Students are invited to attend any of the scheduled Holiday Work-Back sessions or Holiday Practice Exams. In addition, the Library will be open at certain times. From now onwards, students will be finishing major studies, assignments, completing note preparation for exams and undertaking revision. It is advisable that students organise a study timetable for the Term 3 holidays, so that they study for all subjects, and make the most of this valuable time.

MARCELLIN CAMPUS LIBRARY - HOLIDAY OPEN TIMES

The library will be open from 9.00am until 3.30pm on Tuesday, Wednesday, Thursday, and Friday of both weeks of the school holidays. Please note this time is available for quiet individual study. Teachers will be there to supervise but workshops will offer specific curriculum support. Students are expected to sign in and out at the circulation desk. Please note: students should arrive before 1:30 pm (if there are no students in the library during the morning, it will close).

MONDAY 12 OCTOBER

FIRST DAY OF TERM 4 - Year 12 students will return to school Monday 12 October.

If you DO NOT have any SACE Examinations:

You will have 9 days of formal lessons remaining in which to complete course-work and assessment tasks.

If you DO have one or more SACE Examinations:

You will also have 9 days of formal lessons remaining in which to complete course-work and assessment tasks. In addition, you will attend lessons in Week 3 (Monday 26 October to Friday 30 October) to prepare for those subjects that are examined. You do not need to attend homeroom nor classes for a subject for which there is no examination.

WEDNESDAY 21 OCTOBER

YEAR 12 GRADUATION MASS

BR. JOSEPH MCATEER CENTRE - MARIST HALL. 6.30PM FOR 7.00PM START

The Graduation Mass is the key graduation event for the class of 2020. Whilst attendance is compulsory for Year 12 students, due to COVID-safe restrictions, family attendance at College events will be limited and you will be advised of updated attendance arrangements on Monday 12 October by the Principal.

This is a formal occasion that must be reflected in behaviour and dress. Student dress code is the College Winter Uniform. Failure to meet these expectations will result in students not participating in the Graduation Mass. Some key elements re uniform expectations at the Graduation Mass are:

- Boys must be clean shaven;
- Hair must be clean, neat and tidy. Tied up and back, and off the face. Any makeup should be with only a very light foundation, if any at all;
- Full College winter uniform including blazer, but no College jumper and absolutely no Year 12 Hoodie.

THURSDAY 22 OCTOBER

Graduation Assembly in the Marist Hall, followed by the Year 12 Student Celebration in Walter Park.

Our Sacred Heart students are expected to conclude their classes respectfully and with dignity. Like any other school day, unruly behaviour at the conclusion of Graduation Assembly Day will not be tolerated.

Year 12 students are required to be at school at 8.45am, with the lesson order being adjusted to ensure the Year 12 Study Line falls after lunch, not before Recess as normal on this day as follows:

8.45am	Homeroom
9am	Lesson 1 (Line 2 - brown)
10.20am	RECESS
10.40am	Lesson 2 (Line 1 - yellow)
12.05pm	Lesson 3 (Line 3 - red)
1.25pm	LUNCH
1.50pm	Graduation Assembly (Marist Hall)

Lunch will be shortened and will be followed by a full school Assembly to celebrate the academic achievements of the 2020 graduating students. Year 12 students should be in full College (Winter) uniform of ties, trousers and blazer for boys and skirts, ties and blazers for girls. There will also be a formal handover of leadership to the newly elected leaders for 2021.

Due to current Covid-safe restrictions, family attendance at College events will be limited and you will be advised of updated attendance arrangements on Monday 12 October by the Principal.

CELEBRATION IN WALTER PARK

Immediately following the Graduation Assembly, Year 12 students will gather in Walter Park for a celebratory function. Students will be able to collect and wear their Year 12 T-shirts and Year 12 Photos after which light refreshments will be on offer.

Entertainment will be supplied in the form of vetted and appropriate concert items from students and staff. Students must register their items with the Organising Committee one week before the event. Care should be taken to ensure that the items are tastefully humorous without being personal 'put-downs' of anyone in the school community. Items not registered with the Organising Committee will not be allowed to be staged.

YEAR 12 T-SHIRT/PHOTOGRAPH

The Year 12 Photograph (Cost \$25) and the Year 12 T-Shirt (Cost \$20) are additional mementos offered to students for purchase. These items will be charged to your school account, and will be available for collection on Thursday 22 October at the conclusion of the Graduation Assembly. Please note the Year 12 T-shirt is not part of the school uniform and consequently is not to be worn when on campus at other times (apart from the Celebration in Walter Park).

FRIDAY 23 OCTOBER

Year 12 students do not attend lessons.

EXAM PREPARATION WEEK

In 2020, to assist with preparation for written SACE Examinations, formal lessons will continue for the following subjects:

- Accounting
- Biology
- Chemistry
- Economics
- English Literary Studies
- Essential Mathematics
- General Mathematics
- Geography
- Italian
- Japanese
- Legal Studies
- Mathematical Methods
- Modern History
- Nutrition
- Physics
- Psychology
- Specialist Mathematics

HOMEROOM

There will be no Homeroom for Year 12 students this week.

WILL STUDENTS BE PERMITTED TO GO OFFSITE BETWEEN LESSONS?

Yes, students will be permitted to leave campus during lessons.

STUDENTS WHO DO NOT HAVE ANY SACE EXAMINATIONS:

Formal lessons will not be running for subjects in which there is no written SACE Examination. However, Stage 2 teachers will be available by arrangement to assist students during regular lesson times. Students are encouraged to contact teachers for assistance if required. **When on campus, students must be in summer uniform (no hoodies) and sign in and out at the Front Office. However, students who are working in the library all day must sign in/out at the library.**

STUDENTS WHO DO HAVE ONE OR MORE SACE EXAMINATIONS:

Students are to attend lessons this week to prepare for written SACE Examinations that commence next week. You do not need to attend classes for a subject that does not have a written SACE Examination.

- **Revision should be well under way prior to this period and as such, consolidation of knowledge and exam preparation is now the main focus.**
- **Students should establish a consistent sleep pattern, they should eat well, schedule in some personal recreation time, and cut back hours worked in part time jobs. These are important ingredients to combine with an effective study plan.**
- **The library will be open from 8am to 4.00pm Monday and Friday and 8am to 4.30pm Tuesday, Wednesday and Thursday. There will be no extended study on Wednesday.**

SCHOOL UNIFORM REQUIREMENTS

Students are expected to wear the school summer uniform at all times when they are at school for their week 3 lessons, examinations, or to return to school to submit work, or to see teachers or for any other reason. Students who are not in uniform will be asked to return when they have changed. Students are not permitted to wear their SHC 'hoodies' to school.

CLEARANCE PROCEDURES

Students need to return all Library and Book Hire items well before the Graduation Ceremony. The final day for return of these items is Friday 20 November. Unreturned items will be billed after this. The onus is on all Year 12 students to attend to this task.

LOCKERS

All students are expected to empty their lockers of all contents. Any personal items that remain in lockers after 22 October will be discarded. Any textbooks that are not required for revision purposes must be returned at this time. Students should continue to return textbooks when no longer needed.

MONDAY 2 NOVEMBER – FRIDAY 13 NOVEMBER

STAGE 2 EXTERNAL WRITTEN EXAMINATIONS

Students will be required to enter the exam room 15 minutes prior to the published start time. Students with oral examinations for languages should check with their teacher for exam dates and times.

MORE INFORMATION - STAGE 2 EXTERNAL EXAMINATIONS

All Stage 2 externally assessed examinations (apart from oral examinations and examinations listed in the previous table as “venue TBA”) will be coordinated by Mrs Karen Bailey (Director of Teaching and Learning) and Mrs Gail Morgan (Assistant Head of Marcellin Campus) and will be supervised by exam invigilators at Marcellin Campus.

Students are required to wear full and correct summer uniform (hoodies are NOT permitted). Usual standards relating to jewellery, makeup, hair, grooming and shoes apply. Students who are not in proper uniform may be sent home.

Students with externally assessed exams will receive an **examination attendance slip** prior to the end of term 3, which shows the exam rules and lists the examination site, dates and times. This slip must be brought to every examination. Students will also receive an examination timetable early in term 4 listing the locations of their exams onsite. Exams will generally be held upstairs in Champagnat Hall, unless otherwise stated on the timetable. Students must check dates, times and locations carefully and ensure that they arrive early.

Students will be required to enter the exam room 15 minutes prior to the published start time. There are a number of administrative tasks that must be undertaken before the exam starts. Please be aware that there is also a seating arrangement.

The externally assessed exams cannot be rescheduled. It is therefore essential that Mrs Karen Bailey is contacted if any unforeseen circumstances arise prior to the exam on 8350 2500 or preferably via email karenbailey@shc.sa.edu.au

e.g. Students who are seriously ill (3 days or more) before an exam or ill on the day of an exam or have had a significant interruption to study in the lead up to exams:

- ensure you have spoken to Karen Bailey BEFORE the exam commences
- **the SACE Board strongly recommend students still attend, even if unwell**
- Students who sit the exam when unwell may choose to apply to use a derived exam result by seeing Mrs Bailey at the end of the exam. An appointment to see a doctor the same day must be made (doctor is not to be related to the student). If the application is approved by the SACE Board, the student will receive the **better** of the two marks. Surprisingly, the vast majority of students who sit the exam when unwell, still do better than their derived result!

Students requiring special provisions for exams for long term conditions should have already contacted Mrs Bailey. Please contact Mrs Karen Bailey ASAP if this has yet to occur.

For subjects that permit graphics calculators: the memory will be reset (except for Mathematics subjects). Students are permitted to bring 2 calculators. Removable covers and instruction booklets are not permitted. Students must ensure their graphics calculator is on the list of **approved models**.

Approved calculators: SACE link:

www.sace.sa.edu.au/coordinating/admin/information-sheets/49#Approved-calculators

Students are permitted to bring a dictionary, as long as it meets the requirements for approved dictionaries. Supervisors have the authority to check all dictionaries prior to the commencement of the exam. You are **not permitted** to bring a thesaurus nor a dictionary with thesaurus entries.

Rules for dictionaries: SACE link:

www.sace.sa.edu.au/studying/assessment/exams/rules#Use-of-calculators-and-dictionaries

The following general rules also apply:

- No bags or pencil cases will be admitted. Stationery must be in a clear plastic bag/sleeve.
- All paper for exams will be supplied. Students are not permitted to have in their possession any notes, blank paper or unauthorised material containing information relevant to the exam. The only exception is for Mathematical Methods and Specialist Mathematics where two unfolded A4 sheets of handwritten notes (not photocopied) are permitted. For General Mathematics and Essential Mathematics, only one A4 sheet is permitted (unfolded, handwritten, not photocopied). Students are permitted to write on both sides of the A4 sheet(s). It is NOT acceptable to laminate notes.
- When the exam time starts, students are encouraged to read texts and questions carefully, plan their answers, and familiarise themselves with the examination before they begin writing the exam proper. This is best practice for exams!
- Students are advised that mobile phones, smart watches or other electronic devices must not be brought into the exam room. The exceptions to this are approved calculators (only for those subjects in which they are permitted) and Biology, Geography, Legal Studies, Modern History, Nutrition, Psychology and English Literary Studies students who are required to bring their fully charged Chromebook/laptop device to their exam. Psychology and Modern History students should also bring hardwired headphones (NOT bluetooth enabled). Mobile phones must be switched off and left securely elsewhere. The College takes no responsibility for the security of mobile phones and smart watches.
- Students requiring assistance (e.g. extra writing paper) or a toilet break should remain seated, raise their hand and wait until an invigilator speaks with them. Under no circumstances should students leave their seat without permission.
- Students are not permitted to communicate with other students throughout the duration of the exam.
- Students must not be guilty of any breach of good order or propriety (i.e. do not distract others in any way).

- Students are not permitted to borrow equipment from other students during the exam.
- Students need to use their own judgment to answer questions they are uncertain about. Invigilators are not permitted to give any direction with regard to the exam paper. However, if there is faulty printing on the page, students should alert the invigilator immediately.
- Students are required to remain in the Exam Room until the conclusion of the exam. Students are not permitted to leave early.
- At the end of the exam, students are required to remain seated and silent until all papers have been collected/electronic exams have been submitted and they are formally dismissed.

The expectation is that students will only be present at the College during scheduled exam times. If students are on site at other times, they must register their arrival at the Front Office. **Students must be dressed in full and correct summer uniform (no hoodies) when on College grounds.**

FRIDAY 20 NOVEMBER (OR PRIOR)

TEXTBOOK AND LIBRARY BOOK RETURNS

All textbooks and library books should be returned when no longer required for study purposes, or no later than Friday 20 November. Overdue accounts will be sent home after this date.

FRIDAY 27 NOVEMBER

GRADUATION CEREMONY AND CELEBRATION

All students who have completed their Year 12 studies at Sacred Heart College in 2020 are invited to the Graduation Ceremony on Friday 27 November. As mentioned above, whilst attendance is expected for Year 12 students, due to COVID-safe restrictions, family attendance at College events will be limited and you will be advised of updated attendance arrangements on Monday 12 October by the Principal.

We look forward to a great night and hope that you will find it a truly memorable way of finishing what has been a very successful year.

Date: Friday 27 November 2020

Time: 4.30pm arrival for 5.00pm start - 7:45pm approximate finish

Venue: Marist Hall, Br Joseph McAteer Centre, Sacred Heart College Marcellin Campus

Dress Code: The dress code is Semi Formal. Students are expected to be dressed in respectful, smart attire. For example jeans, shorts, t-shirts, thongs, joggers and other casual clothing or footwear are not considered appropriate. Students are not required to wear their school uniform. Stiletto style shoes are not allowed due to safety concerns inside the Br McAteer Centre.

Attendance and Ticketing information: Due to current COVID-safe restrictions, attendance at this event will be limited. Once our capacity is determined closer to the date, families will be informed about how they can secure tickets. There is no cost to families for the Graduation Celebration. This event will also be live streamed. Details on accessing the livestream will be communicated prior to the event. Students and Parents need to be aware that by attending the event as attendees they are agreeing to their image being live streamed (or recorded and then broadcast) for school purposes.

Outline of the Celebration: The evening will begin with the formal presentation of Student Testimonials and Graduation Certificates to each student of the Class of 2020 by our Principal, Mr Steve Byrne in the Brother Joseph McAteer Centre. Due to COVID-19 restrictions, there will be no cocktail food or refreshments served at the conclusion of the formal presentation. Parents and Students are encouraged to plan their own graduation celebration events in line with community COVID-safe restrictions.

A FINAL MESSAGE TO YEAR 12 STUDENTS

SATAC

SATAC processes applications for most of the tertiary courses offered by its participating institutions. SATAC assesses the academic and non-academic qualifications presented by applicants, and ranks eligible applicants in merit order for each course according to the rules and guidelines provided by the institutions. SATAC generates offers based on the number of applicants required to fill each course, as set by the institutions, and act as a 'one-stop-shop' for enquiries about the outcomes of applications.

SATAC also administers the Special Tertiary Admissions Test (STAT) for applicants applying for undergraduate courses under a special entry program, and processes applications for selected equity scholarships at the University of South Australia.

The selection rules for courses are the responsibility of the institution offering each course. SATAC doesn't make decisions on how qualifications are assessed or how eligible applicants are ranked, nor decide on the relative merits of different types of qualifications.

Participating institutions:

- TAFE SA
- Charles Darwin University
- Flinders University
- The University of Adelaide
- University of South Australia
- CQUniversity Australia
- Tabor
- Torrens University Australia
- SAIBT - www.satac.edu.au (Telephone: 8224 4000 OR 1300 138 440 (local call charge))

SACE

Students completing SACE subjects this year will be able to access their results on the SACE website in December. This will be some time in the week beginning 14 December. Please monitor your email as the exact date and time will be communicated to you when it is released from the SACE Board.

Results will be available online on the day of results release. Printed certificates and other documents should arrive by post from this date onwards, in accordance with local postal schedules.

Many students - especially Year 12s - will want to view their results quickly. To ensure students can access their results on the day they are released, students should check as soon as possible that they can log in to Students Online via the link in the SACE website at: <https://apps.sace.sa.edu.au/students-online/login.do>

Login requires a SACE registration number and PIN. Registration numbers comprise six numbers and a capital letter (e.g. 123456A).

If a student has not logged in before, their PIN will be the first four digits of their date of birth in the format DDMM (e.g. 1 July = 0107). Students who cannot remember their PIN can request a PIN reset through the website.

Once students have successfully logged in, they should visit the Personal Information section and check their postal address is correct, to ensure results are also received in the mail.

TAFE

A full list of dates is available at the following website: www.tafesa.edu.au/apply-enrol/key-dates. If you are thinking of studying at TAFE, please refer to the following information on [TAFE SA Entry requirements](#) and selection criteria. If you wish to apply for award courses please see the [How to apply](#) section of the TAFE website.

TAFE applications can be made via links through the TAFE website www.tafesa.edu.au or directly to www.satac.edu.au. Check course page on TAFE website www.tafesa.edu.au/courses or contact campus direct if unsure.

UNIVERSITY

A full list of University dates is available on the inside cover of the 2021 SATAC University Guide given to all Year 12 students. Electronic links to [Key dates](#), [application and course information](#)

Changing your preferences (see [SATAC University Guide, page 251](#))

- Refers to changes to the order of existing preferences and adding a new preference or removing existing preferences.
- Preferences cannot be changed after the change of preference deadline for Semester 1 courses 7 January 2021 to be guaranteed equal consideration to most courses. NB there are a small number of courses that have earlier final closing date of 28 September 28 refer [key dates](#).
- Change of preferences will not be accepted by SATAC staff over the telephone.
- Equal consideration is not given if after you receive an offer you:
 - Place a new preference above the offered course
 - 'Shuffle' a course which was below the offered course to a position above the offered course.**Before making any changes to preferences after change of preference deadline please contact SATAC directly!**

Mid-Year Entry

Apply through SATAC via University Undergraduate Applications for mid year entry via current application process.

NOTE: Refer to blue SATAC booklet or contact the TAFE/Universities in order to find out what courses/programs will be offered mid-year. Not all courses/programs have a mid-year intake.

Scholarships

Universities have money for scholarships - information is available on individual university websites. Please also keep checking student emails or google classroom Year 12 and Beyond for any late breaking information through the SWOT Vac and examination period.

ADJUSTMENT FACTORS (PREVIOUSLY KNOWN AS BONUS POINTS)

The South Australian Tertiary Admissions Centre (SATAC) administers two Adjustment Factor schemes based on rules provided by its member universities. The two schemes are the Universities Equity Scheme and the Universities Language, Literacy and Mathematics Scheme.

The Universities Equity Scheme awards 5 points for eligible students, and the Universities Language, Literacy and Mathematics Bonus Scheme awards 2 or 4 points for eligible students. An individual student can receive a maximum of 9 additional points under both schemes.

Any adjustment factors will be added to the university aggregate from which selection ranks are calculated. The selection rank will then be the score which corresponds to the revised aggregate.

Selection ranks inclusive of adjustment factors do not appear on the Tertiary Entrance Statement (TES) issued to SACE/NTCET students because they are only specific to SA/NT courses/programs. Students can see their adjusted rank via the SATAC website when checking their offer status.

CONCLUSION

The class of 2020 deserve to be congratulated on the way they have successfully navigated a very unusual and at times disruptive year. It is with great excitement that we prepare for key end-of-year celebrations. Our senior students are in their final stages of schooling and we encourage them to maintain their focus in the coming weeks. Throughout the year all Year 12 students have been frequently reminded that they are the role-models of the College. As such, their conduct over the final weeks should remain of the highest standard.

It is important that students manage their departure from the school in a dignified and memorable way. This time should be spent recognising the value of other people whose companionship has been enjoyed over recent years. It can be an enjoyable time for all and whilst it is understandable that it is a time to celebrate the completion of secondary schooling, it is not an occasion to resort to the consumption of alcohol or other drugs, criticism of school personnel, disregard for school property or damage to the reputation of Sacred Heart College in the community.

We ask both parents and students to work cooperatively with teachers in trying to meet the aforementioned expectations.-

We wish our Year 12 students every success in their future endeavours. We are confident that as graduates of Sacred Heart College, they are well equipped to achieve the successes they aspire to. They should be very proud of the young adults they have become and we are absolutely certain they will add great value to our local and broader community.
