

**SACRED HEART COLLEGE**  
**ANNUAL GIVING**  
**2021**

# TOGETHER, WE ARE SACRED HEART.

In 2020, the Sacred Heart College Community banded together to ensure that those families requiring support received it and that our educational programs continued amidst the turmoil of COVID-19. Together we have ensured that families experiencing hardship continued at the College. In fact, our enrolment has never been higher!

Sacred Heart Old Collegians (SHOC) have long expressed a need for better meeting and storage facilities on the Brighton Road Oval. We also have a long term relationship with other community partners such as St Joseph's Netball Club. Better protection from the weather is also needed, especially during the winter months for those attending College and SHOC matches and training. So, a modest facility would be accessed by SHOC Netball, Football and Soccer Clubs, our College Teams, as well as community partners like St Joseph's.

So, the focus for the 2021 Annual Giving is 'The Hearts Hub' which will meet the needs outlined above and replace the shipping containers currently in use. It will be an extension of the current change room facilities in the south west corner and will better meet the needs of our community. The facility will be a lasting legacy due to our recent enrolment growth and the increased use of the College facilities from Years 7 to 12. It is not unusual these days for the younger students to play on the Brighton Road ovals and courts when required.

100% of your contribution will benefit the Sacred Heart community - past, present and future students and our families connected with other users. Whether you are an Old Scholar, a parent of a current student or someone who just loves what Sacred Heart stands for, this project provides a long term benefit to which you can contribute.

Donations can be made as a one off payment or ongoing monthly contributions. The College Foundation also offers options to Bequeath contributions for those wanting to consider this. All donations to this project - The Hearts Hub - are tax deductible.

Current parents would be aware that the Building Levy was dropped for 2021 in light of COVID-19. Some families may not have been affected like others and a contribution to 'The Hearts Hub', unlike the building levy, is tax deductible.

If you would like more information or to discuss other options, please contact Sacred Heart College on 8350 2500 or email [foundation@shc.sa.edu.au](mailto:foundation@shc.sa.edu.au).
