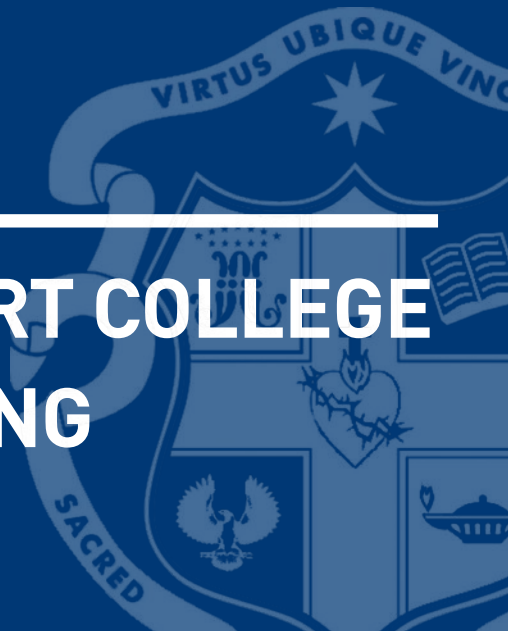
SACRED HEART COLLEGE ANNUAL GIVING 2022



TOGETHER, WE ARE SACRED HEART.

Over the last two years, the Sacred Heart College Community has banded together to ensure that those families requiring support received it and that our educational programs continued amidst the turmoil of COVID-19. Together we have ensured that families experiencing hardship continued at the College. In fact, our enrolment has never been higher!

The ability of Sacred Heart College to provide a first class education and facilities for its students is paramount to its future as one of the leading schools in South Australia.

You can help make a difference.

With your support, the Sacred Heart College Foundation is able to provide support to the College by assisting with the development of new facilities and projects which aim to meet the needs of the College and its students.

The focus for the 2022 Annual Giving is 'The Hearts Hub' which aims to provide a new meeting and storage facility, as well as better protection from the weather, particularly during the winter months for College and SHOC sporting teams. The hub will replace the shipping containers currently in use. It will be an extension of the current change room facilities in the south west corner and will better meet the needs of our community. The facility will be a lasting legacy due to our recent enrolment growth and the increased use of the College facilities from Years 7 to 12. It is not unusual these days for the younger students to play on the Brighton Road ovals and courts when required.

100% of your contribution will benefit the Sacred Heart community - past, present and future students and our families connected with other users. Whether you are an Old Scholar, a parent of a current student or someone who just loves what Sacred Heart stands for, this project provides a long term benefit to which you can contribute.

Donations can be made as a one off payment or as an ongoing contribution. The College Foundation also offers options to Bequeath contributions for those wanting to consider this.

All donations to this project - The Hearts Hub - are tax deductible and should be made out to the Sacred Heart College Foundation Building Fund.

If you would like more information or to discuss other options, please contact Sacred Heart College on 8350 2500 or email foundation@shc.sa.edu.au.
