# REGIONAL HEALTH PATHWAYS

## Study for your health career

If you live in an Australian regional or remote area you may be eligible to access regional health admission pathways in many Flinders health courses, significantly increasing your opportunities for entry into a number of our limited intake courses.

## Rural and Remote Sub-quota Entry

With a history of world class teaching, above world-standard medical and health research and powerful industry partnerships that span almost every area of health, medicine and care, Flinders is constantly pushing boundaries to uphold its reputation as a global leader in health and care.

Courses offering a rural and remote sub-quota:

- Bachelor of Clinical Sciences/Doctor of Medicine
- Bachelor of Exercise Science
- Bachelor of Exercise Science/Master of Clinical Exercise Physiology
- Bachelor of Health Sciences
- Bachelor of Health Sciences (Digital Health)
- Bachelor of Health Sciences (Physiology and Neuroscience)
- Bachelor of Health Sciences (Psychology)
- Bachelor of Health Sciences (Therapy Studies)
- Bachelor of Health Sciences (Vision Science)/Master of Optometry
- Bachelor of Health Sciences/Master of Occupational Therapy
- Bachelor of Health Sciences/Master of Physiotherapy
- Bachelor of Human Nutrition
- Bachelor of Human Nutrition/Bachelor of Exercise Science
- Bachelor of Medical Science
- Bachelor of Midwifery (Pre-registration)
- Bachelor of Nursing (Pre-registration)
- Bachelor of Nursing (Pre-registration) (Riverland)
- Bachelor of Nutrition and Dietetics
- Bachelor of Paramedic Science
- Bachelor of Public Health
- Bachelor of Speech Pathology

To be eligible applicants must have lived in non-metropolitan areas of Australia (Remoteness Classifications RA2 to RA5) for at least 5 consecutive years, or 10 years cumulatively, from birth (i.e. during any period of their life) to be eligible for the Rural and remote sub-quota. This is assessed based on an applicant's primary residential address.

You can check your eligibility using the search tool on the Health Work Locator website [www.health.gov.au/resources/apps-and-tools/health-workforce-locator](http://www.health.gov.au/resources/apps-and-tools/health-workforce-locator). Filter your search using the ASGS Remoteness Areas (2016) layer.

## Remote and Outer Regional Sub-quota Entry

The **Bachelor of Paramedic Science (Northern Territory)** is available for applicants from remote and outer regional areas.

To be eligible applicants must have lived in remote or outer regional areas of Australia (Remoteness Classifications RA3 to RA5) for at least two years out of the past six years, or a total of five years since starting primary school in a remote and/or outer regional areas (RA -3 – RA5). This is assessed based on an applicant's primary residential address.

The **Bachelor of Paramedic Science (Regional External Program)** is available for applicants from remote and outer regional areas.

To be eligible applicants must confirm that they currently reside in remote or outer regional areas of Australia (Remoteness Classifications RA3 to RA5). In addition, they must confirm that applicants have lived in remote or outer regional areas of Australia (Remoteness Classifications RA3 to RA5) for at least two years out of the past six years or a total of five years since starting primary school in a remote and or outer regional areas (RA 3 - RA 5). This is assessed based on an applicant's primary residential address.

You can check your eligibility using the search tool on the Health Work Locator website [www.health.gov.au/resources/apps-and-tools/health-workforce-locator](http://www.health.gov.au/resources/apps-and-tools/health-workforce-locator). Filter your search using the ASGS Remoteness Areas (2016) layer.

## HOW TO APPLY

Applications for undergraduate courses are submitted through the South Australian Tertiary Admissions Centre (SATAC) see [satac.edu.au](http://satac.edu.au)

Applicants must, within 10 working days after submitting their SATAC application, submit a Statutory Declaration to SATAC confirming they meet the eligibility criteria listed above.
