Kickstart your career with industry connections

“As we strive to decarbonise our future, these scholarship recipients will be instrumental in shaping the modern world.” Rebecca Knoll, SA Chamber of Mines & Energy

Why choose Mining and Petroleum Engineering pathways?

The mineral resources and energy sectors are critical to decarbonising every aspect of modern living. Join the teams driving technology solutions to improve safety and productivity – and reduce industry’s carbon footprint. *They offer:*

- Fast track careers
- Solutions-focused teams
- Socially driven values
- Highly paid jobs (top 10 salaries in Aust)
- High-performing teams
- Travel, in Australia & overseas

These prestigious scholarships are offered by the Playford Trust, leading resources companies, the SA Government and the SA Chamber of Mines & Energy

Opening **13 October 2022** / Closing **20 January 2023**
