

This Child Safeguarding Policy has been developed in accordance with and implements Principle 2 of the Child safe environments: Principles of Good Practice (Principles of Good Practice). It is also to be read and understood in conjunction with the National Catholic Safeguarding Standards published by Catholic Professional Standards Ltd. This Child Safeguarding Policy has been approved by the Marist Schools Australia Leadership Team.

The Child Safeguarding Policy is published on our College's public website and provided to new Staff, and to Direct Contact Volunteers and Direct Contact Contractors at induction. It is also made available to Regular Contractors and Regular Volunteers prior to their engagement with the school.

Purpose

Our Child Safeguarding Policy, which includes our Statement of Commitment to Child Safety, was written to demonstrate the strong commitment of the College to promoting children's wellbeing and safeguarding children from harm, and to provide an outline of the policies and practices that we have developed to keep our students safe, including from abuse or other harm.

It is an overarching policy that provides the key elements of our approach to the College as a child safe organisation and sets the tone for the College's entire Child Safeguarding Program. The Child Safeguarding Policy provides the framework for:

- the implementation of the Principles of Good Practice
- the development of work systems, practices, policies and procedures that promote child protection within the College
- the creation of a positive and robust child protection culture

Scope

The College's Child Safeguarding Policy applies to all adults in the College community, including Staff, Volunteers, Contractors, External Education Providers, parents/carers and other family members. This policy applies in all College environments, both physical and online, and on-site and off-site College grounds (e.g. camps and excursions).
