

Rationale

A uniform dress code reinforces in students a pride in their own appearance, instils recognition of themselves as an integral part of the school community and assists in developing pride in representing their school. Issues of equality, health and safety, and expense are also factors that contribute to the establishment of the Dress Code.

Policy

This College policy gives a standard of dress and grooming that promotes a common identity to all students of the College and aims to instill a sense of pride by those who wear the uniform and bring credit upon the school. Implementation of the policy will recognise differences of each campus, including age and gender.

Aims

- To promote a sense of uniformity and equality with the students.
- To further develop a sense of pride in, and identification with our College.
- To provide durable clothing that is cost effective and practical for our school environment.
- To maintain and enhance the positive image of the College in the community.
