Principal's Welcome

We acknowledge that our carnival will take place on Kurna Country. We extend our appreciation to the Kurna People, the traditional owners of this land.

We pay our respects to leaders and elders past, present and emerging, for they hold the memories, the traditions, the culture and the hopes of all Kurna People.

We express our gratitude in the sharing of this land, our sorrow for the personal, spiritual and cultural costs of that sharing, and our hope that we may walk forward together in harmony and in the spirit of healing.

Welcome to Adelaide! We are delighted to host the 31st Australian Marist Basketball Carnival and it is made all the more special given the recent hiatus from Marist carnivals due to COVID-19. The various Marist Carnivals held around Australia are not just about terrific sporting competition, but, more importantly, are about our shared Family Spirit which each of us has inherited in being a part of the Marist family.

This 31st Carnival sees nineteen Australian Marist schools accept the invitation to join in a week of games, camaraderie and community living. I am certain that you will commit yourselves to playing with a strong sense of spirit and school pride, and where, regardless of the outcome of individual matches, you will form lasting memories with your peers and extended Marist community.

We are incredibly proud of our College and Adelaide, and we hope that you enjoy your time in our city. Our competition venue has been selected because of its capacity to host the large number of teams we have in this carnival, and we are excited to see it become a hub of activity throughout the carnival. We are also excited to host some matches at the Sacred Heart College Br Joseph McAteer Centre. Regardless of where you are playing, whilst you are here, please feel at home.

We offer our thanks to the volunteers, match officials, coaches, managers and all others who have contributed so much in preparing the teams for the Carnival. You are integral to the success of school sporting programs and your contribution to their development extends far beyond the domain of the sporting arena. We trust you, too, will have an enjoyable Carnival.

We wish also to thank and acknowledge the many staff who have worked tirelessly to organise this event. We would particularly like to express our gratitude to the Carnival Committee, Gavin Pinnington, Alex Penhall, Emily Coymans, Ali Trewartha, Maggie Kerr and John Cadd. They, of course, had many supporters beside them, but their leadership and drive has made this Carnival possible.

Best of luck to all teams and congratulations on being part of this special Marist community celebration. On behalf of Sacred Heart College, we hope this carnival brings you great joy and allows you to form long and lasting friendships and memories!

Goals of the Marist Basketball Carnival

To provide a sporting Carnival where our students can:

- enjoy the company of other young Australians giving expression to their social, religious and sporting aspirations
- develop their skills of fairness and integrity in basketball through friendly competition with teams from Marist schools, and
- share with other young people around Australia our Marist traditions, values, vision and story.

Beginnings

Marcellin Champagnat was born in 1789 in the small French hamlet of Le Rosey in the hilly country to the south west of Lyon. Marcellin was part of a group of young men that wanted to start a new order in the church modelled on the ways of Mary and, on the day following their ordination, they gathered at the Fourviere Cathedral in Lyon to make a pledge to this cause. Coming himself from a rural area, Marcellin aspired to found the 'Little Brothers of Mary' (later known as the 'Marist Brothers'), who would build schools to develop and educate 'good Christians and good citizens'. Others in the ordination group, such as Jean-Claude Colin, sought to found the Marist Fathers to serve parishes, and the Marist Sisters bring the spirit of Mary to new places and people.

Marist Schools in Australia

The first Marist Brother in Australia was Brother Michael Colombon, who was trained by Marcellin Champagnat in France. He arrived in Sydney on December 9, 1837. From humble beginnings, the Marist Brothers received invitations to form new schools throughout Australia. Today, there are close to fifty schools throughout Australia that have been governed or influenced by the Marist Brothers and many others that have been governed or influenced by Marist Fathers and Marist Sisters. Today, the Marist Association of St Marcellin Champagnat oversees Marist Schools Australia, who are the hosts of these sporting Carnivals, bringing us together to commemorate and celebrate our common heritage.

History of the Carnival

The concept of the national sporting carnivals to bring students from Marist schools together, began with cricket in the mid-1970s. Basketball carnivals for boys were a feature of the 1980s and, as schools developed their co-educational programs, netball and girls' basketball were soon added to the program. It's now difficult to imagine Marist life without these celebrations! The Carnivals respect the fine traditions of Marist life with an opening Mass, social networking, a celebratory final dinner and, of course, hard fought but respectful competition.

Opening Mass

Sunday 26 March
Marist Hall, Sacred Heart College

Celebrant

Fr Tom Gleeson

Welcome to Country

Mr John Lochowiak

Opening Prayer

Holy Father, you Created each of us in your own image, and you call us to be people of humility, simplicity and modesty. As we come together this week, may the spirit of St Marcellin, Mary Our good Mother and your son Jesus Christ, walk with us in love and tenderness. We make our prayer in the name of Jesus, our companion and Lord. Amen

The Gospel (John 11: 33–45)

So they took away the stone. Then Jesus lifted up his eyes and said:

“O God, I thank you for hearing my prayer.
I know that you always hear me.
but I speak
For the sake of all these who stand around me
So that they may believe it was you who sent me.”

Having said this, Jesus cried in a loud voice, “Lazarus, here! Come out!” the dead man came out, with feet and hands bound with bands of stuff and a cloth round his face. Jesus said to them, “Unbind him, let him go free.”

Many of those who had come to visit Mary and had seen what Jesus did, believed.

Marist Heart Ceremony

In St Marcellin Champagnat’s time, he would place the names of the Marist Brothers inside a bronze heart, as a way of remembering and praying for them while they worked in faraway places.

The names of all Marist Basketball Participants for 2023 will be placed inside the Marist Heart.

I leave you in the Sacred Hearts of Jesus and Mary (St Marcellin Champagnat)

Players Pledge

I promise that I shall take part in the coming Marist Basketball Carnival, respecting and abiding by the rules which govern them in the true spirit of sport and competition.

Coaches, volunteers and managers pledge

I will encourage good sporting spirit at the Marist Basketball Carnival, by demonstrating positive support for all players, coaches, officials and volunteers at every event. May my words bring encouragement, my actions vitality, and my intentions honour.

A Child Safe Carnival

Each of the schools participating in the Carnival is committed to the safety of each and every child who attends. Child Safety is at the heart of this Carnival and every student who attends, whether competing, assisting or spectating, has the right to feel safe at all times. Whilst schools each have their own policies and procedures at the Carnival, every adult is expected to adhere to this simple Code of Conduct:

DO:

- Behave as a positive role model to students.
- Promote the safety, welfare and wellbeing of students.
- Be vigilant and proactive with regard to student safety and child protection issues.
- Provide age appropriate supervision for students.
- Comply with guidelines published by the Carnival Committee with respect to child protection.
- Treat all students with respect.
- Promote the safety, participation and empowerment of students with a disability.
- Promote the cultural safety, participation and empowerment of linguistically and culturally diverse students.
- Use positive and affirming language toward students.
- Encourage students to 'have a say' and then listen to them with respect.
- Respect cultural, religious and political differences.
- Help provide an open, safe and supportive environment for all students to interact, and socialise.
- Intervene when students are engaging in inappropriate bullying behaviour towards others or acting in a humiliating or vilifying way.
- Report any breaches of this Child Protection Code of Conduct to the Carnival Child Safe Officers (see below).
- Report concerns about child safety to one of the Carnival's Child Safety Officers (see below) and ensure that your legal obligations to report allegations externally are met.
- Where an allegation of child abuse is made, ensure as quickly as possible that the student involved is safe.
- Call the Police on 000 if you have immediate concerns for a student's safety.
- Respect the privacy of students and their families and only disclose information to people who have a need to know.

DON'T:

- Engage in any form of inappropriate behaviour towards students or expose students to such behaviour.
- Use prejudice, oppressive behaviour or inappropriate language with students.
- Express personal views on cultures, race or sexuality in the presence of students or discriminate against any student based on culture, race, ethnicity or disability.
- Engage in open discussions of an adult nature in the presence of students.
- Engage in any form of sexual conduct with a student including making sexually suggestive comments and sharing sexually suggestive material.
- Engage in inappropriate or unnecessary physical conduct or behaviours including doing things of a personal nature that a student can do for themselves, such as toileting or changing clothes.
- Engage in any form of physical violence towards a student including inappropriately rough physical play.
- Use physical means or corporal punishment to discipline or control a student.
- Engage in any form of behaviour that has the potential to cause a student serious emotional or psychological harm.
- Develop 'special' relationships with students that could be seen as favouritism (for example, the offering of gifts or special treatment for specific students).
- Engage in undisclosed private meetings with a student that is not your own child.
- Engage in inappropriate personal communications with a student through any medium, including any online contact or interactions with a student.
- Take or publish (including online) photos, movies or recordings of a student without parental/carer consent.

- Post online any information about a student that may identify them such as their: full name; age; e-mail address; telephone number; residence; school; or details of a club or group they may attend.
- Ignore or disregard any suspected or disclosed child abuse.

What to do if you have a concern

If you believe a participant or visitor to the Carnival has acted in an unsafe way towards a student (verbally, physically or through their behaviours), we encourage you to speak with the senior most staff member from the school involved. If, for some reason, this is not appropriate or possible, the Child Safe phone will be available to report matters of concern. Both students and staff are encouraged to use this number if they would like to report a suspicious or unsafe matter.

Catholic College Sale, VIC

Catholic College Sale has a long and distinguished history. Its roots extend as far back as 1890 when the Sisters of Sion founded Our Lady of Sion College for girls, and then in 1922, when the Marist Brothers founded St. Patrick's College for boys. 'Catholic College Sale' was formed in 1977 with the amalgamation of these two schools. From the beginning of 1993, the traditions of Our Lady of Sion and the Marist Charism continued in completely co-educational settings with Years 7 and 8 students at the Sion campus and Years 9 to 12 at St. Patrick's Campus. In 2021, the College consolidated onto one campus at the St. Patrick's site on Macalister Street.

Our College Motto – Peace Among Nations – challenges all members of the school community to foster a caring environment in which the dignity and uniqueness of each individual is respected. Our school colours are: Navy Blue; Maroon and Gold.

Currently, we participate in the annual Marist Basketball, Netball and Cricket Carnivals, acting as host for these carnivals in 2014, 2016 and 2018 respectively. Lavalla Catholic College, Traralgon, VIC

Lavalla Catholic College is a tri-campus independent Roman Catholic co-educational secondary school located in the township of Traralgon in Gippsland, Victoria. The college began in 1951 when the Presentation Sisters established their convent in Moe and began to teach students.

In 1956, St. Paul's College was founded on Grey Street by the Marist Fathers as an all-boys school. The Marist Brothers assumed responsibility for the administration of St. Paul's in 1962. Also in that year, the Brigidine Sisters established the all-girls school, Kildare College, on the Kosciuszko Street site.

In 1979, a mini system of three schools was created: Kildare and St Paul's for Year 7–10 and a new senior campus, Lourdes College for Years 11 and 12. In 1979, after the Brigidine Sisters withdrew, the three colleges became one co-educational school called Catholic Regional College. In 2002, Catholic Regional College amalgamated with Presentation College Newborough creating Lavalla Catholic College.

This is the 29th year the College has teams represented at the Marist Basketball Carnival. Our boys' teams best place finish has been 3rd on three occasions while our girls' teams have performed strongly over the years to claim 14 Marist Championship titles. Desiree Glaubitz and Jade Melbourne are the two biggest basketball names to come out of the College. Desiree captained the AIS to the WNBL Championships during the 1998–1999 season before having stints at Sydney, Townsville and Bulleen before retiring. Desiree was a member of the silver medal winning Australian Junior team at the 1997 Junior World Championships and she also had stints internationally in Spain and Italy. Jade has been a member of Bulleen and Canberra in the WNBL, represented Australia at Junior World Championships and just recently signed with Seattle Storm in the WNBA. Jade represented Lavalla at Marist in 2016–2017.

Marist College Canberra, ACT

The origins of Marist College Canberra are found in the first school established by the Marist Brothers in Australia, St Patrick's in Harrington Street, near The Rocks, Sydney. An increase in numbers necessitated a move to larger premises and in 1887 the High School was transferred to buildings in the grounds of St. Mary's Cathedral. In 1910 the school moved again to new and larger buildings in Liverpool Street, Darlinghurst.

Despite the flourishing of "The High School" as it became known, demographic and educational changes forced the difficult decision to close in 1968 and to transfer its badge, colours and motto to Canberra.

Since that time the College has grown rapidly and in its own relatively short history has distinguished itself through its high academic, sporting and cultural record. In the 2015 season the Marist Senior Basketball team won the ASC competition and the Basketball ACT U/19 Division 1 title. The most recognizable and successful basketball student to come out of the College is Patrick Mills who attended Marist from year 4–10 (2004). Since leaving the College Patrick has played College basketball for St. Mary's (USA), Australian Boomers and has won a NBA Championship with the San Antonio Spurs. In 2020 Alex Toohey accepted a position in the Centre of Excellence Basketball program, where he has since competed with the Australian Boomers in their FIBA qualifications and is prospected to attend a Division 1 College in the USA in 2023.

A foundation stone at the front of the Gonzaga building records that Marist College Kogarah was officially opened by Cardinal Moran. On Monday 8 February 1909, the primary school opened its doors to 100 students. Marist education had begun in Kogarah.

The school met a need in the area, and over the next ten years there was a steady growth in enrolments. The school enjoyed success in a number of State Bursary Competitions, which was of real importance to a new school trying to establish itself.

Newman College, Perth, WA

Newman College is a Pre-Kindergarten to Year 12 Catholic, co-educational school governed by Marist Schools Australia. It is located in Churchlands, a northern suburb of Perth, Western Australia and is located approximately 10 kilometres from the Perth CBD.

The history of Newman College is both unique and intriguing in its evolution. Our origins can be traced back to 1913 when the Benedictine Monks of New Norcia invited the Marist Brothers to Western Australia to staff their newly established Boarding School, St Ildephonsus. As a result of a succession of physical relocations and amalgamations the Brigidine and Dominican charisms became an integral part of what Newman College is today.

At Newman College, our Vision for Learning "Shine Through Discovery", (Matthew 5: 16 Let your light shine) animates our learning community to "Challenge, Collaborate, Create and Celebrate" who we are and what we seek to achieve. We encourage agility, movement and flexible learning environments.

The students and staff of Newman College value the opportunity that is afforded them through Marist Sporting Carnivals to connect with their peers from other participating Marist Schools. We look forward with great anticipation to the 2019 Marist Basketball Carnival in Bendigo.

St John's College Woodlawn, Lismore, NSW

St John's College Woodlawn owes its foundations in 1931 to the vision of Bishop John Carroll; the generosity of Margaret Buckley, who donated the land on which the College was built; and the dedication of the Marist Fathers who responded to Bishop Carroll's invitation to move from New Zealand to build and staff the College. The College is located on the outskirts of Lismore in a charming rural setting.

Over the years the College has grown, flourished and adapted to various needs and circumstances, from being an all boys' boarding college, owned and staffed by members of the Society of Mary (Marists), to today's co-educational Diocesan day school of St Carthage's Cathedral Parish, Lismore.

The College is now staffed by the men and women who are committed to Marian principles which incorporate values of endeavour, humility and discretion.

At the closing of boarding in 1998, student numbers at Woodlawn were only 210. These numbers rapidly increased with the introduction of female students and are consistently around 770 pupils today.

Trinity College, Beenleigh, QLD

Trinity College Beenleigh, was established by the Marist Brothers in 1982, on the invitation of the Director of Brisbane Catholic Education. The college takes its name from the central doctrine of Christianity, the Holy Trinity, that pronounces God as three persons: the father, son and spirit.

The first Principal, Marist Brother, Br John Mullins, oversaw the education of the first enrolment of one-hundred students. From Trinity's beginnings up until 1987, Marist Brothers lived and taught at the college, with the Sisters of Saint Joseph also prominent on staff. As Trinity continues to grow, the charisms of these great Religious Orders are still evident within the college and their virtues and values are strongly promulgated.

Trinity College derives its ethos from the founder of the Marist Brothers, Saint Marcellin Champagnat (1789 - 1840). The Christian education of the young, particularly those of rural areas, was his passion. The three Marial virtues of humility, simplicity, and modesty come to us from him. These virtues give a quality of authenticity and kindness to our relationships with all people we meet.

Following our Marist tradition, students are nurtured throughout their years at our school to achieve their desired pathway and the support to find their path. The College now offers a suite of over 60 senior subjects and certifications, catering for student needs and growing areas of employment. In addition to having one of the largest VET offerings available at any non-government school in South East Queensland, the College has exceptional ATAR and tertiary entrance outcomes.

At Trinity College, we are not a sports academy, trade college, arts, or STEM school - We are all of these and We are Marist.

Trinity Catholic College, Lismore, NSW

Trinity Catholic College Lismore is a co-educational College for students in Years 7 to 12 with an enrolment of approximately 900 students. The College is located in Lismore, occupying two sites following the 2022 flood events: Year 7–10 students are educated at our campus on the site of Southern Cross University (R Block) and our Year 11–12 students are educated at our Trinity campus on the grounds of St John's College Woodlawn. This arrangement will exist until the College's Master Planning process is finalised.

The College traces its foundation to 1886 when the Presentation Sisters began St. Mary's College, an independent school for girls. This also marks the foundation of Catholic Education in Lismore.

The Marist Brothers opened St. Joseph's High School in 1911 and the two schools operated independently until they amalgamated in 1985 to form Trinity Catholic College. Both Religious Orders maintain an active involvement and interest in the College. The charisms of St. Marcellin Champagnat, Founder of the Marist Brothers and Nano Nagle, Founder of the Presentation Sisters, and the spirit of Mary, the Mother of Jesus, permeate all aspects of College life.
