STATE-OF-THE-ART CAMPUS

The new ICHM campus sits in the heart of Adelaide's CBD on Currie Street and celebrates the heart of what we do best- hospitality- providing spaces that are industry-leading, warm and welcoming.

Our campus is more of a home away from home, especially for international students living in Adelaide during their studies. We want all our students to feel a sense of ownership and belonging on campus.

One of the most unique spaces in our three-story campus is the dedicated training bar and wine room. A fully equipped cocktail bar, training room and wine tasting facility sit at the centre of the campus, for students to practice mixology, food and beverage service and wine tasting before they go out to work in industry, the key to ICHM's unique strength in hospitality education.

"I've always liked working with people. Hotels attracted me due to the complexity in the operation with multiple moving parts coming together.

ICHM has a great balance between practical and theoretical on campus. The lecturers are very helpful and understand that not all students come from the same educational background. You get a lot of one-on-one time, and they are happy to further assist.

Being an international student, the Work Integrated Learning certainly helped me understand how Australian workplaces function, before I started a full-time job.

Understanding the importance of going beyond your role and using every opportunity to learn something new, helped me in reaching where I am now."

"Since graduating in 2003, my career has taken me to the white sand beaches of the Caribbean, the mountains and deserts of the United States, and the tropical jungle of Costa Rica. During my twelve years with Aman luxury hotels and resorts, I mastered the art of creating a state of uncomplicated serenity to facilitate unforgettable resort experiences.

My detailed practice for excellence on the international stage started with ICHM – living and working side by side with people from across the globe. The most rigorous attention to detail practised in the world of hospitality and luxury lifestyle requires me to be boundlessly imaginative and passionate about what I do."

Work Integrated Learning (WIL) study periods, are a significant component of ICHM's courses. It allows students to become a valued member of their host organisation with a large variety of both paid and unpaid work options available for students. ICHM maintains strong relationships with hotels, resorts and other hospitality management providers worldwide, to facilitate the WIL study periods.

Work Integrated Learning (WIL)

ICHM has a dedicated **Industry & Career Development (ICD)** team with significant industry experience to assist students with their placements and provide them with insights into career pathways.

The ICD team works with hotels and hospitality businesses in Australia and around the world to secure and monitor these placements.

HOW IT WORKS

Students will meet with the ICD team throughout their time at ICHM to discuss placement preferences and complete an ICHM resume, ready for their application.

The ICD team will then source the right role for students' career aspirations that aligns with their current capabilities then apply on behalf of students.

The hiring and selection process vary between hotels, and hotels make the final decision on employment.

STUDENT SERVICES

The ICD team, together with ICHM's Student Service team will support and guide students from initial engagement and throughout their placements to ensure success.

An ICHM WIL lecturer will be assigned to ensure students have structured guidance and stay on track with their assessments whilst balancing a work environment.

METHOD OF ASSESSMENT

Students complete a set of subject assessment criteria that require them to critically assess and reflect on their experiences.

ICHM also asks host employers to assess students across a variety of performance measures and provide feedback. This feedback allows students to continue to reflect and enhance their development in employability skills to ensure they are career-ready upon the completion of their degree.

For Master's students completing the Professional Practice and Research subject, they will be required to complete and submit a Research Proposal, Research Report and Reflection Report.

"ICHM has the perfect mix of industry exposure and academic progression. The fast track nature of the course did prove challenging at times, but I can look back on my study and life experience at ICHM so fondly. I was able to graduate with industry experience and employment prospects, which has played a key role in my career path."

Other Financial Considerations

The following is a list of other possible expenses or financial considerations that parents students should consider when studying at ICHM and living in Australia. Much of this information is a guide only.

ACCOMMODATION

ICHM’s recommended student accommodation option is Scape Waymouth. Located in the heart of Adelaide, only a short walk from the CBD in close proximity to ICHM, public transport and shopping centres. Students can also choose to live in other student accommodation, an apartment or share house. Please refer to page 31 for more information on accommodation.

STUDENT VISA

International students will be required to obtain a Student Visa to study in Australia. The visa processing charge (payable to the Australian Government) is approximately A\$650. As part of the visa process, students may be required to have a medical check with an Australian Government authorised doctor. The fee for this medical is approximately A\$300.

WIL PLACEMENT

While students are expected to earn income during their WIL placements, they will also incur expenses such as:

- Transport costs to and from their industry placement city.
- Accommodation (only a few hotels provide staff accommodation).
- Meals.
- Taxation.
- Public transport to work.
- Personal expenses.
- Entertainment expenses.

These expenses will vary widely depending on the location around the world. While income should cover daily living expenses, in Australia, students need to budget for the upfront costs that are incurred when organising rental accommodation. These costs include bond and connections for telephone, gas, water and electricity.

STORAGE

While undertaking industry placements, students may require storage of personal goods in Adelaide until they return to study on-campus. Should students require storage facilities they will need to cover this cost.

HEALTH COVER: INTERNATIONAL STUDENTS

All international students coming to Australia on student visas must pay for Overseas Student Health Cover (OSHC) for the full duration of their studies, this is an Australian Government requirement. There are five providers authorised to offer OSHC insurance, students can select the policy most suited to their needs and purchase it online.

To ascertain the level of coverage provided, students should visit the OSHC website - oshcaustralia.com.au

OTHER EXPENSES

Students will require money for general expenses. The amount required will vary; refer to the Accommodation & Living Costs pages before, an estimated cost guide is provided. With that said, some other items to consider are:

- Textbooks.
- ICHM uniform (required for Bachelor students only).
- Study equipment (laptop, stationery, etc.).
- Personal mobile phone cost will vary according to the provider and option selected.
- Transport (bus, taxi or car if you have one).
- Entertainment (cinema, recreation etc).
- Snack food (some students say they can’t study without chocolate!).
- Personal items (toothpaste, shampoo, washing detergent etc).

Recognition of Prior Learning

Previous Study or Industry Experience

Students are encouraged to apply for Recognition of Prior Learning (RPL) for study taken at another institution; as well as time they may have spent working in the hospitality industry. Approved recognition or credit for previous study or work, may reduce a students overall cost and study workload, or duration.

THIS POLICY IS MOST COMMONLY APPLIED TO:

- Students who have undertaken some study at other universities, colleges or hotel schools looking to transfer, and gain the advantage of a higher level qualification.
- People with business-related diplomas or degrees wanting to enter the hotel industry to change their career direction.
- Industry personnel with experience and some training seeking qualifications with international recognition.

TO APPLY FOR RPL YOU MUST:

- Submit a full application to ICHM indicating that you want to apply for recognition of your prior learning.
- Students will be required to submit certified English translations of all academic/other documents (e.g. curriculum) where necessary.
- A grade of “status” will be given for those subjects where a student has been successful in applying for Recognition of Prior Learning.
- Where recognition is not granted prior to commencement students will be required to attend classes until exemptions are determined.
- As part of the recognition assessment, where students are unable to provide sufficient documentation and evidence, recognition cannot be granted.
- A process of appeal is available in cases of disputes over decisions or refunds granted under these policies.

See the rules:

All policies and procedures can be viewed by scanning the QR code:

Note: ICHM cannot process your RPL unless all the required supporting documentation and evidence is supplied.

How to Apply

DOMESTIC STUDENTS

Step 1. Applications for Admission

For all Domestic applications, please apply via ICHM directly at: <https://apply.ichm.edu.au/ichm/enrolling#details> or scan the QR code on the right.

Please ensure that you submit all the required documents (e.g. academic transcripts) for assessment. Certified academic transcripts/supporting documents must be provided in English. These must be certified by the school/institution that issued the original documents, Public Notary or other independent source approved by ICHM.

You may be eligible for recognition of prior learning. More information can be found from below link:

<https://now.ichm.edu.au/rpl-online-hm>

Step 2. Application Review

ICHM will assess your application, contact referees and if applicable, arrange an interview.

Step 3. Provisional Acceptance

ICHM will advise you of the outcome of your application within two weeks of receiving your completed application. This acceptance is conditional upon your acceptable examination/ATAR results.

If your application is successful, ICHM will send a Letter of Offer to you. To accept the offer you must sign and return the Acceptance Letter. This must be done within 21 days from the date of the Letter of Offer from ICHM.

If you are not happy with the outcome of the admission decision, please follow the non-academic grievance lodgement process.

INTERNATIONAL STUDENTS

Step 1. Application for Enrolment

Apply through your agent or directly online via our international application form at

<https://enroller.app/ichm/enrolment-application>

or scan the QR code on the right, attaching all required documents (e.g. academic transcripts).

ICHM will assess each application, and reserves the right to request additional information as required. This means you might need to provide additional documents or information (e.g. Statement of Purpose) to satisfy the Genuine Temporary Entrant (GTE) requirement. This information may also be reviewed by ICHM's external verification agent.

Certified academic transcripts/supporting documents must be provided in English. These must be certified by the school/institution that issued the original documents, Public Notary or other independent source approved by ICHM.

Step 2. Letter of Offer

ICHM will advise you of the outcome of your application within two weeks. Some applications (e.g. those requiring external verification) may take longer to process, as additional information is required. Credit transfer applications usually take extra time.

If your application to ICHM is successful, ICHM will send a Letter of Offer to you or your agent, confirming the course you have been offered, fees payable and course commencement date.

To accept the offer, you must sign and return the acceptance letter and pay the required fees.

Step 3. Confirmation of Enrolment

Upon receipt of payment and signed acceptance ICHM will release your electronic Confirmation of Enrolment (CoE) to your representative. CoE provides evidence of a student's enrolment with a provider registered on the Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS). You will need the CoE to apply for your student visa.

ICHM has been registered for seven years, the longest term TEQSA is able to approve private providers. All courses and qualifications listed on this page as Registered Courses with Course Codes are approved by TEQSA. ICHM's TEQSA ID is PRV12099.

FEE-HELP

The Commonwealth Department of Education and Training has approved ICHM as a FEE-HELP provider. As indicated elsewhere, FEE-HELP allows Australian students to obtain student loans.

The Study Assist website studyassist.gov.au provides information for students about government assistance for financing tertiary study. ESOS and CRICOS TEQSA also registers education providers under the Education Services for Overseas Students (ESOS) Act. ICHM has obtained registration, and is listed on the CRICOS register. ICHM Pty Ltd is the registered provider, and is Provider 02914G - SA.

TUITION ASSURANCE

The Tuition Protection Service (TPS) is an initiative of the

Australian Government to assist and support students whose education providers are unable to complete the delivery of their course of study. While provider closures are rare, when a provider does stop delivering a course it can be a worrying and uncertain time for students. The TPS is in place to provide information and assist affected students. In relation to ICHM, the TPS provides assistance and support to:

- International students on student visas
- Domestic higher education students accessing the Higher Education Loans Program (FEE-HELP)
- Domestic full fee paying students.

In the event of a provider default, eligible students will be supported to continue their studies in an equivalent or similar course, receive a loan re credit for open units of study, or receive a refund for their upfront payments made for an affected unit.

AQF

The Australian Qualifications Framework (AQF) is the national policy for regulated qualifications in Australian education and training. The AQF describes the equivalencies of Australian undergraduate and postgraduate degrees; the ICHM Master of International Hotel Management and Bachelor of Business (Hospitality Management) are thus equivalent in standing to any Australian university degree.
