Please refer to the Sacred Heart College Curriculum Handbook 2024 for full descriptions of all subjects available at shc.sa.edu.au/learning/marcellin-campus-years-10-12/curriculum

All subject selections for current Champagnat Campus students for Year 10 2024 at Marcellin Campus will be submitted via Edval Choice.

Most elective subjects are 1 semester in length. However, Italian, Japanese, Music and VET Music - Certificate II Music may be studied for the whole year (recommended), in which case the full-year subject must be selected twice in Edval Choice.

Step 1	Access Website via https://my.edval.education/login
Step 2	Enter the individual Web Code (emailed to student's school email address). If you used Edval Choice last year, you must enter this new code. Otherwise, you will be taken to last year's Year 9 choices.
Step 3	Once you have logged in, click on EDVAL CHOICE 2024 to take you to the Year 10 preference page. Please check the student name is correct (top right corner).
Step 4	Choose one subject in each of the drop down boxes.
Step 5	Click on the Submit button. Once selections are made, you will be taken to a new page confirming your choices. If you do not complete the form correctly, you will receive a message advising of the error. You will then need to reselect according to the information provided. Make changes and click on Submit again.
Step 6	Print 2 copies of the confirmation page. One copy must be signed by a parent/caregiver and returned to Student Services at Champagnat Campus by Friday 5 September 2023 (Week 7, Term 3). Please retain the other copy for your records.
