Dear Parents/Caregivers

Graphics Calculator information for Mathematics students at Sacred Heart College in 2024

This correspondence concerns the graphics calculator needs for students studying Mathematics at Sacred Heart College Marcellin Campus in 2024 and beyond.

At Sacred Heart College, we have incorporated graphics calculators into the Mathematics curriculum in accordance with the SACE guidelines. All students studying Mathematics are asked to purchase a **CASIO fx-CG50 AU colour GC graphics calculator**.

The only exception will be those students studying support Mathematics.

Earlier models (CASIO fx-9860G-AU PLUS and CASIO fx 9850 G AU) are still acceptable if you have one.

I would advise that you only purchase one of the CASIO models mentioned above, otherwise it can be difficult to provide the appropriate support for your son or daughter in the use of the graphics calculator.

Purchasing a Graphics Calculator

Should you wish to purchase your Graphics Calculator directly from [Campion Education](#), attached is an order form including purchasing instructions.

Orders can be placed online and calculators will be distributed at the start of Term 1, 2024 if ordered by Friday 19 January 2024.

Order forms must not be returned to the College and should be completed directly with Campion Education.

Students will be notified once their order is ready for collection from the Maths Office at Sacred Heart College Marcellin Campus.

Should you have any questions, please do not hesitate to contact the College on 08 8350 2500.

Yours sincerely

Natasha Smith
Head of Learning Area - Mathematics

CAMPION RESOURCE LISTS 2024

Calculator Order for 2024 resources can be made online at www.campion.com.au.
For Classroom delivery please place your orders by **19th January** using the following information.

Sacred Heart College School Code: 4B78

To order
